

ATLAS

Your single source in Fluid Power Supplies, Services & Equipments

schradertbellows

Pneumatic Products, Proven Technology, Wide Range

Midget Cylinders, Standard Bore Cylinders, Large Bore Cylinders,
Special Cylinders
ISO Cylinders / VDMA Cylinders
Rotary Actuators, Midget Poppet Valves, Pulse Valves, Midget Spool Valves
Modular Spool Valves, Solenoid Valves, Double Poppet Valves,
Gang Manifold Valves, Flow Control Valves & Quick Exhaust Valves,
Accessories, Filters, Regulators, Lubricators, Filter/Regulators, FRLs,
Spares, Flame Proof Valves & Coils, Automation System & Pneumatic Panels
Hydraulic Cylinders.

FLUCONN ROTARY UNIONS

A Complete range of **Fluconn Rotary Unions** for Air, Oil, Hydraulic Fluids, Water, Steam, Vacuum, Coolant Service, etc. Rotary Unions are offered to meet the following specification :

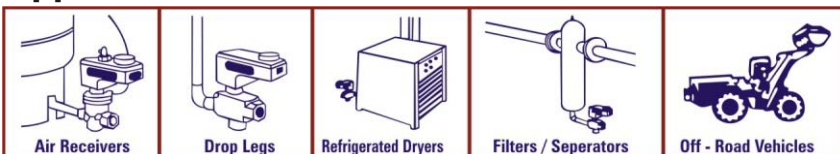

- 1) Single Passage, Multi Passage design.
- 2) Pressures up to 210Kgs/cm².
- 3) Sizes up to 4" NB
- 4) Temperature up to 350°C

More than 1500 configurations available

AUTOMATIC DRAIN VALVES

Application

Salient Features

- Designed to drain sludge & rust laden condensate in compressor room equipment.
- Reliable all Digital electronic circuitry encapsulated in high grade epoxy resin.
- State of the art Digital Electric Circuitry.
- ABS Timer Body adds strength while reduces overall weight of the device.
- Control Unit rotatable at 360° for easy installation.

FITTINGS & TUBING

legris

A complete range of Legris Products which include the following:

- Push In Fittings
- Brass Compression Fittings
- Ball Valves, Low Pressure and High Pressure
- Axial Valves
- Polyurethane , Nylon, Teflon Tubes

UNITREAD

QUICK RELEASE COUPLINGS

for Hydraulic, Pneumatic, Chemical, Vacuum & General Purpose Applications.
